

## TOP FIVE 1991

The following appears in this booklet:

*Long Course and Short Course Records for both Men and Women.*

*Long Course and Short Course Relay Records.*

*Top Five for both Men and Women.*

The times listed are for the five best times recorded by the swimmers in an age group and particular stroke. These are in the same order as appears in the National Top Ten. There is no separate list for Short and Long Course, just the best time recorded by five swimmers in that particular event.

### WHY YOUR NAME DOES NOT APPEAR IN THE TOP FIVE.

1. You didn't swim fast enough. However, some categories never have 5 swimmers, so check these out and next year with a rigorous training program you could be listed in the 800m Individual Medley.
2. You didn't swim at all this year in a recognised distance and stroke.
3. You are not a current member of AUSSI.
4. You have looked in the wrong section in the wrong age group. There are two separate lists - men and women.
5. Your club recorder didn't submit your times. However keeping records is a time-consuming job, and perhaps a time was overlooked, so before you protest too much, why not offer some help.
6. Perhaps the Branch Recorder made a mistake, however when you consider the number of entries, about 1300, I apologise for any omissions or mistakes that I have made.

Pauline Samson  
Branch Recorder.
