RE: Long Course Long Distance Swim Meet Results

A very successful swim meet was held on 2nd November at the Clarence Swimming Pool. In all, there were 72 entries, and 57 of these actually swam in the event.

Although there were no National Records broken, there were 12 State records set or broken. (See back pages for details)

Participation by clubs was as follows:

Hobart	29
Talays	25
Sandy Bay	11
Launceston	7

On behalf of the committee and members of the Hobart AUSSI Masters swimming club, congratulations to all those who took part in our swim. In due course, there will be certificates detailing placings in age groups, times, and so on sent out to club secretaries for distribution to swimmers.
