 August Winter Champs
 September ? Short Course Long Distance Launceston
 Oct 24-Nov 1 Australian Masters Games Canberra
 February ? 1998 long Course
 March 12-14 1998 Nationals Hobart

HIGHLIGHTS of the AGM

The Past

In his Annual Address, John Pugh, Branch President, described two projects which had been completed in 1996. These were the production of a constitution which will better suit the organization of the Branch; and the updating of our Branch Strategic Plan. Both will place the Branch in a good position for the coming millenium.

In addition, John Pugh congratulated the Branch for the conduct of its ongoing program of championship meets.

The Future

The Branch Strategic Plan, which was distributed to all present at the AGM, contained 8 major aims which should be met over the next three years.

- To explore the costs and benefits of obtaining shared storage and office accommodation at the new Aquatic Centre in Hobart.
- To provide regular professional development activities to improve the capabilities of existing administrators, officials, and coaches.
- To train and/or accredit sufficient new administrators, officials and coaches to enable the branch and its affiliated clubs to carry out better its existing level of services for masters swimming.
- To have at least two coaches accredited at Level 2M
- To improve communication between committee members through use of the internet.
- To develop new strategies for attracting financial support and gaining influence in the swimming and wider community.
- To make more effective use of available swimming pools.
- To host a National Swim meet.

Branch Aerobic Trophy

A handsome shield has been presented to the branch by Hobart AUSSI as a perpetual trophy to be awarded to the Tasmanian Club which has gained the most Aerobic Points for the year in the National Aerobic Competition.

The club which won this shield in 1996 was Launceston Lemmings, with a total of 1727 points.

Congratulations Launceston. Now who will be winning it next year. There are 10 months left to get your points up.

Summer Championships

Who Won What:

Club Championship Shield [Awarded to top point scoring club]	
Hobart Dolphins	2181 points
Talays	1513
Launceston Lemmings	1240
