TOP FIVE 1992.

Once again it has been a pleasure to put this booklet together and see the performances of the members of AUSSI Tasmania Branch. Each year the lists of events gets longer and the number of entries increases. Hopefully there aren't too many errors - I lost count this year of the number of entries.

The following appears in this booklet:

Top Five for both Men and Women.

Long Course and Short Course Records for both Men and Women.

Long Course and Short Course Relay Records.

AUSSI Tasmania Branch Short Course Relay Records.

AUSSI Tasmania Branch Elite Relay Records.

The times listed are for the five best times recorded by the swimmers in an age group and particular stroke. These are in the same order as appears in National Top Ten. However, there is no separate list for Short and Long Course, just the best time recorded by five swimmers in that particular event.

Pauline Samson.
Branch Recorder.
