AEROBIC TROPHY AWARD

The Aerobic Trophy Programme is designed to encourage people to compete in distances from 400m to 1 hour duration in the full variety of strokes.

The programme is entirely optional and to achieve the required goals (which relate to gender and age groupings) the swims are to be done over an extended part of the calendar year. As a result, a certain level of aerobic fitness needs to be maintained in order to complete the individual event requirements. Hence the name Aerobic Trophy.

The total number of swims (gaining points) that can be completed is 62 - broken down into:

- 25 individual 400m swims
- 25 individual 800m swims
- 3 by 1500m swims
- 3 by 1/2 hour swims
- 3 by 3/4 hour swims
- 3 by 1 hour swims

Points are gained for the completion of each different event. These combine with points gained by fellow club members and contribute to a total point score for each competing club. The highest scoring club is then declared the National Aerobic Champion.

This programme became a National event in 1982 and each year has enjoyed an increase in the number of swimmers competing, thus endorsing its popularity and acceptance with members.

TASSIE AWARD

As an extension of the Aerobic Trophy Award, the Tassie Award goes to the club averaging the highest number of points per registered member.

This is designed to encourage as many members as possible in each competing club to complete one or more events in the Aerobic Programme. eg; 10 swimmers from a club of 10 members scoring 10 points each - total 100 points (average 10 points each) would beat a club of 5 swimmers out of 50 members scoring 50 points each - total 250 points (average 5 points each).
