## NATIONAL AEROBIC TROPHY

The Aerobic Trophy Program became a national event in 1982 and is designed to encourage people to compete in distances from 400m to 60 min duration in a variety of strokes. The program is entirely optional and to achieve the required goals, the swims are to be completed over the calendar year. A certain level of aerobic fitness needs to be maintained in order to complete the individual events.

The total number of swims (gaining points) that can be completed is 62 - broken down into:

25 individual x 400m, 25 individual x 800m, 3 x 1500m, 3 x 30 min, 3 x 45 min, and 3 x 60 min swims

Points are gained for the completion of each event and the combined points gained by fellow club members contribute to a total point score for each competing club.

The highest scoring club is the National Aerobic Champion.

## NATIONAL AEROBIC AWARD

The NATIONAL AEROBIC AWARD (previously known as the Tassie Award and the Zoggs Award) goes to the club averaging the highest number of points per registered member.

This is to encourage as many members as possible in each competing club to complete one or more points scoring events in the Aerobic Program.
