Draft Budget 2022

The attached draft budget is submitted for approval.

Overall, a small surplus is predicted from the association's operations.

Dependant on cash flows and account balances it may be necessary to draw on the Term deposit for Club, Coach and Technical Officials development. This amount would not be in excess of \$5000.

Motions:

1. That the draft budget be accepted

2. That the treasurer is authorised to withdraw an amount not exceeding \$5000 from the term deposit to fund development activities, if required.

Ray Brien
Treasurer
