2022 Summers – Talays Wrap Up

The Talays team comprised of two women and six men. Approximately a third of our membership.

Two of the team set branch records.
Terry Smithurst in the 200 Breast and 50 Back
Jim Groom in the 50 Back
Congratulations to both of you on these efforts.

Below are the individual results for each of our swimmers for respective age groups:

Full results available on the [Results Portal](#)

Ruth Langdon 14th

Quiz
Since the 1984 Olympics in Los Angeles, Australia has won a total of 439 medals in the pool. Gold 137, Silver 153, and Bronze 149, this includes individual and relay team events. Emma McKeon and Ian Thorpe are equal leaders with five gold medals to their names. The question is :
Who has won the most silver medals for Australia at the Olympics since 1984?
