

Dear Talays Members

A Plea from the President

The numbers at our Tuesday and Saturday coaching sessions have dropped a bit. In the next few months we will also be missing some of our regular swimmers due to holidays etc. The committee is concerned that if the participation drops to too small a number, it will no longer be viable for Collegiate to continue to provide us with a coach! Members are being encouraged to make a special effort in the next few months, to roll up and take advantage of the excellent coaching and training sessions that are on offer and keep our club afloat. The recent renovations at the pool have made it more conducive to swimming at Collegiate. Members are encouraged to participate in the Oceania Masters Swimming Championships and to register early. An international event (Pacific nations) on our own doorstep! What an opportunity! Assistance will also be needed with timekeeping etc.

Coffee and Cake Sat 23 May

In case you missed Pauline's email, we have won BOTH national trophies for our aerobic swims again (for 2008)
Brunch on the Club on Saturday 23rd May at Sandy Bay Bakery, 10.30am after our Saturday club session.. Be there to celebrate and be photographed with the trophies. Time to bask in our own collective glory!
